Dear Parents and Carers,

Plans for a Phased Reopen

At Church Hill Infants we know that the current global crisis has been quite overwhelming with constant updates and unprecedented change on so many levels. I am sure that with the recent announcement of the government's plan to reopen schools, you will have further concerns and will be thinking about what this will look like for your families.

We wanted to let you know that although we are in the planning phase for reopening for some year groups, our main priority going forward will be the health and safety for the entire Church Hill community. We also understand the decision to send your child(ren) back to school may be a difficult one and a little scary.

As parents, you will continue to have a choice of whether you want to send your child into school during the phased return and we will of course respect your decisions.

We are receiving regular updates from the government and the Trust and once we have more information for you, we will be in touch. In the meantime please do not worry and stay safe.

Yours faithfully,

Mrs Balsara
Headteacher
