30<sup>th</sup> June 2020

Dear Parents and Carers,

## **Re: School Closure – Local Lockdown**

Following the recent announcement from the Government regarding the local lockdown, I am writing to inform you that from Thursday 2<sup>nd</sup> July, Church Hill Infant School will close until the new Academic year.

Although the children currently in our Reception, Year 1 and Year 2 Key Worker bubbles are still eligible to attend tomorrow, we would advise to only use the provision if absolutely necessary.

Our school will continue to provide care until the end of term for our Key Worker and vulnerable children but we ask parents to only use this service if they are not able to keep their child safe at home.

In order to make swift plans to accommodate the new arrangements, please complete the short survey (which will be sent to applicable key worker parents via a separate Study Bugs message) to confirm whether your child will be attending the emergency provision. Once we have confirmed numbers of attendance, we will regroup the children in a new Key Worker bubble. This new group will remain the same until the end of term.

It is a shame to end our summer term so suddenly and for those children who have been attending our bubble settings, this will be both upsetting and confusing as I know they have loved their time with us. You will still be able to access our online learning on seesaw and this will be a great way to keep in touch with your child's class teacher – so please do tell us how they are doing. We are hoping for a settled and more normal new term.

As always the health and safety of our Church Hill community will always remain paramount and we would like to thank our families for their continued support and patience during this difficult time.

Stay safe and well.

Yours faithfully,

**Mrs Bulsara**
