Dear Parents/Carers,

RE: Headteacher News

As we approach the end of half term, I wanted express my thanks once again for the tremendous efforts our parents have made to support home learning. I am truly grateful and in awe of how parents are coping with balancing the responsibilities of work, home and supporting learning – which, for most of us has become the norm of lockdown life. We are looking forward to reopening school when it is safe to do so but for now we must continue these magnificent endeavours to keep our school community safe.

I am also writing to inform you that, after nearly 9 years as Head Teacher and 12 years working as a senior member of Church Hill Infant School, I will be leaving for pastures new at the end of this academic year.

Throughout my career and indeed my time at Church Hill Infants, I have been very fortunate to work with some wonderful people, some brilliant teachers and some delightful pupils. It has been a privilege to lead such an amazing school and I will miss working with such a great group of staff, governors and children.

I have always enjoyed coming to work and there is not a day that goes by when I do not get to see the talents, skills and enthusiasm of our committed staff in some way or another. It has been an absolute delight to see our young pupils grow and develop, achieving their potential, and thriving at school. Our Church Hill Community is and will remain a magical haven for young children to flourish and it has been a great pleasure to have the opportunity to contribute to making this happen for so many pupils over the years.

We have gone through a period of significant change in education during the pandemic and it is likely there will be further changes as we move forward. We have a great deal to do over the next two terms to ensure that our current group of children achieves as well as so many that have gone before. We are also extremely passionate about supporting our children's emotional wellbeing and ensuring we rightly address the impact of the recent events. I can assure you that we are all completely focussed on making this happen and, whilst a change of Headteacher can be unsettling, I will be focussed on ensuring that we continue to provide the high standard of our holistic education that you, as parents, would expect from us.

In recent weeks the school has been in discussion with our Local Governing Body and the Trust; as we are determined to ensure that a change in headship is a smooth transition and hope to inform you swiftly when the successful candidate is appointed.

Church Hill is a truly amazing place where learning comes alive and the community comes together. I know I will leave it in the caring hands of an amazing team who will continue to champion our culture as it ventures into its next chapter. The newly appointed head will be ably supported by a very strong team and we can be confident that the school will have a very successful future.

Finally, I must mention that it has been a great honour to have worked with so many supportive families. I look forward to working with you between now and the end of the academic year to ensure this year can be as successful as it can be.

Thank you for your continued support of the school.

Kind regards,

Mrs Bulsara
Headteacher
