

To celebrate **World Book Day**, we are asking the children to get arty and redesign their favourite book cover!

For the children that are present in school on **Thursday 4<sup>th</sup>**, creations will be displayed in each classroom window. The children will view each other's artwork from outside.

For the children that are currently home learning, please could you display your child's creation in a window that is visible to the local community for them to admire.

Each child will be issued with a £1 National Book Token w/c 8<sup>th</sup> March.
