Year 2 – Expectation Meeting

Dear Parents/Carers,

We would like to invite you to a virtual Year 2 Expectations Meeting being held on **Thursday 23th September 2021 at 4.00pm.**

Due to the current measures in place in school, we are offering this meeting via Microsoft Teams. Please click on the link below to join.

[Click here to join the meeting](#)

We would ask that during the meeting you turn all cameras and microphones off in order to allow the session to run as smoothly as possible. If you do have any questions we would ask that you write them in the chat box and we will respond in the form of a Q&A sheet sent to parents.

During the meeting the Year 2 class teachers will be talking about the expectations we have of children whilst in Year 2 as well as sharing what the End of Key Stage 1 standards look like. There will also be information about the ways you can work with your child at home to support their learning.

In the event that you cannot make this meeting, we will be recording a video that you will be able to watch at your leisure. This video will have all of the key information on it and we will let you know how you can access this once it is ready.

We value your continued support and are keen to strengthen our partnership with you to ensure your child reaches their full potential.

If you have any questions, please see your class teacher.

Yours sincerely

Year 2 Team
