

Science

I can identify and describe the basic structure of basic flowering plants

I can ask simple questions

I can collect simple data and talk about the results.

Art and Design Technology

I can design and make products in 3D dimensions

I can make structures by joining objects together

Computing

Digital Painting:

I can make marks with the square and line tools and use them effectively

I can use the shape and line tools to recreate the work of an artist

History

I can listen and retell stories about people in the past

I can describe the actions of people in the past

Spring Term 1

Space Skills

We are going to be promoting our school values of...

Excellence - Courage

Determination - Resilience

Teamwork - Working well together

Religious Education

I am beginning to learn about and understand Sikh beliefs.

I am able to talk about meanings of holy objects from Sikh life.

Music

I can copy or repeat a simple rhythm or melody

I can perform songs

I can name different musical instruments

Physical Education

I can link simple actions together to create a sequence.

I can make my body tense, relaxed, stretched and curled.

I can recognise changes in my body when I do exercise.

I can use apparatus safely.

PSHE

I can listen to other people and play and work cooperatively.

I can treat myself and others with respect.

Science

I can make observations to answer the question; What do plants need to grow successfully?

I can label parts of a bean plant.

Art and Design Technology

Making a rocket using a range of materials.

Computing

Cbeebies Get Creative

Pic Collage (Freestyle)

Scribbaloo Paint

Sketchbook (for drawing lines)

Spring Term 1 Space Activities

History

Finding out about the history of Space travel including Neil Armstrong, Buzz Aldrin and Yuri Gagarin.

In Year 1 we are learning about Space this half term. We will be learning about space explorers including Neil Armstrong, Tim Peake and Buzz Aldrin. We will be linking it to our writing by using a range of space inspired books such as Aliens love Underpants, The Way Back Home, The Man on the Moon and The Smeds and the Smoos.

Religious Education

Learning about Sikhism.

Exploring the 5 K's.

Music

Finding a beat in a piece of space inspired music.

Using musical instruments to create and perform a space soundscape.

Physical Education

Exploring ways of travelling.

Learning a variety of ways to roll, barrel, straight and forwards.

PSHE

Understanding what a New Year's Resolution is and creating one.

Thinking about the various ways we work as part of a team.
