Uniform Policy 2022 - 2023

School Uniform

At Church Hill Infant School we want our children to take pride in how they look and understand that being smart is part of our school family values.

Uniform items can either be **with or without** the school logo but must follow the colour guidelines below.

For items with a logo we have an online ordering system which means that you can view and purchase uniform items from home. Products can either be delivered directly to your home or you can have them delivered to school if this is more convenient.

Please visit www.mapac.com order.
