September 2022

Year 2 –Standard Assessment Tasks – SATs Meeting

Dear Parents/Carers,

We would like to invite you to a Year 2 SATs Meeting being held on **Thursday 15th September 2022 at 2.20pm** within school.

The Standard Assessment Tasks or SATs for short are a series of papers that children sit during the month of May. These papers form part of the evidence that teachers use to assess pupils against the end of year expectations.

During the meeting the Year 2 class teachers will be talking about the format of the SATs and will share examples of the papers that the children will sit. There will also be important information on the part you can play in helping your child through Year 2 and ways to support them in preparation for the SATS.

On this occasion, if you do need to bring pre-schoolers to the meeting, then we please ask that they remain with you at all times and that in the event of them becoming unsettled you take them outside so that the meeting can continue uninterrupted.

If you are unable to make this meeting, we will be sharing a PowerPoint presentation that you will be able to watch at your leisure. This will have all of the key information on it and we will let you know how you can access this once it is ready.

To help us plan for this meeting please complete the attached link sharing if you are attending or not.

https://forms.office.com/Pages/ResponsePage.aspx?id=33_wzdLTyk2HVK3vxmXhiKsBQXDoo_rNJsqrClqmUd2hUREIwOURCMTA2OFhKWkxSQ1REWjdaODVWWi4u

We value your continued support and are keen to strengthen our partnership with you to ensure your child reaches their full potential.

If you have any questions, please see your class teacher.

Yours sincerely

Year 2 Team
