## Year 1 – Phonics Screening Expectation Meeting

Dear Parents/Carer,

We would like to invite you to a Year 1 Phonics Screening Expectations Meeting being held on **Tuesday 13<sup>th</sup> September 2022 at 2.20pm.**

The screening check is a compulsory assessment that all Year 1 pupils must take. It is used to assess a student's phonic decoding skills and see if they have met the expected standard for the end of Year 1.

During the meeting the Year 1 class teachers will be talking about how we are teaching phonics to the children, looking at some of the past papers and sharing how you can support your child through Year 1 and also through the screening check.

On this occasion, if you do need to bring pre-schoolers to the meeting, then we please ask that they remain with you at all times and that in the event of them becoming unsettled you take them outside so that the meeting can continue uninterrupted.

In the event that you cannot make this meeting, we will be sharing a Powerpoint that you will be able to watch at your leisure. This will have all of the key information on it and we will let you know how you can access this once it is ready.

To help us plan for this meeting please complete the attached form sharing if you are attending or not.

We value your continued support and are keen to strengthen our partnership with you to ensure your child reaches their full potential.

If you have any questions, please see your class teacher.

Yours sincerely

Year 1 Team
