

Computing

- Learn the names of different devices
- Explore how technology is used in and out of school.
- Learn how to use some different forms of technology.
- Follow a fictional digital footprint.

Music

- Listen, move and respond to music.
- Explore pulse, rhythm and pitch in different songs.
- Learn to play recorders/use a piano app.
- Learn to sing:
 - o When Goldilocks went to the house of the bears
 - o Something Inside so Strong
 - o Oats and Beans

Religious Education

- Learn about sacred places.
- Match sacred places to religions.
- Match photos to buildings and key words.
- Explore the meanings of signs and symbols and listen to religious music.

PSHE

- Explore which jobs are my responsibility.
- Sort positive and negative behaviours
- Design a class charter

Physical Education

- Explore fundamental movements e.g running, jumping, balancing and skipping.

Year 2 Autumn 1 2023 - 24

Castles - Activities

We are going to be promoting our school values of:

**Kindness and Teamwork
Respect and Tolerance**

Design and Technology

- Generate ideas for a drawbridge.
- Use materials and tools to create a hinge mechanism
- Bake a bread plait.

History

- Learn about medieval life
- Use the correct words to label castles and talk about things that happened in the past
- Learn about the types of jobs and people who lived and worked in castles.

Geography

- Look at Castles from around the world and in this country
- Research different castles using the internet
- Visit Warwick Castle

Art

- Create lighter and darker tones using graded pencils
- Shade areas using learnt skills eg. hatching and stippling
- Draw detail and pattern.
- Use drawing skills to draw pictures from Warwick Castle trip.

Computing

- Use technology purposefully to create, organise, store, manipulate and retrieve digital content.
- Understand how technology can help us at home and at school.
- Retrieve information from a fictional digital footprint

Music

- Use voice expressively and creatively by singing songs and speaking chants and rhymes with growing confidence.
- Play notes on a recorder and a piano app.
- Use un-tuned percussion when improvising to a piece of music.

Religious Education

- Identify and name sacred places.
- Identify and respond to signs, symbols and religious music.

PSHE

- Discuss why some behaviours are positive and some negative.
- Listen to other people and contribute own ideas.

Physical Education

- Change direction while running at different speeds.
- Hold a balance as part of a sequence of movements.
- Jump for distance and height with a controlled landing.
- Hon and skin with good control

Year 2 Autumn 1 2023 - 24

Castles - Skills

We are going to be promoting our school values of:

**Kindness and Teamwork
Respect and Tolerance**

Design and Technology

- Design a purposeful, functional and appealing product containing a hinge mechanism.
- Identify ways that their product can be improved.

History

- Understand that some events are significant moments in our history.
- Understand changes have happened within living memory using subject specific vocabulary.

Geography

- Comparing buildings from different countries.
- Use text and the internet to find information

Art

- Use different grades of pencils, chalks and charcoal.
- Stipple and hatch to create shade.
