Knowledge

Maths

Place value to 50 then 100

I know how to add a two 2-digit and a 1-digit number using objects, pictorial representations and jottings.

I know how to count in steps of 2s, 5s and 10s.

I know how to read numbers to 10 and extend to 100 in numerals

I know how to count accurately objects up to 100

I know how to count independently numbers up to 100 forwards and backwards

I know how to count out a given number of objects up to 20 from a larger group

I know how to say 1 more than a number up to 10 and extend to 20

I know how to say 1 less than a number up to 10 and extend to 20

I know how to say 1 more than a number up to 100

I know how to say 1 less than a number up to 100

I know how to represent a number up to 100 using practical equipment

I know how to identify and represent a number using practical objects and pictorial representations including a number line

I know how to solve simple problems involving place value

Weight and Volume

I know how to measure and begin to record mass and weight using non-standard units and extend to standard units

I know how to measure and begin to record capacity and volume using non-standard units and extend to standard units

Time

I know how to tell the time on an analogue clock using o'clock and half past.

I know that the big hand shows the minutes and the small hand shows the hours.

Science

I know how to ask simple questions and recognise that they can be answered in different ways.

I know how to collect simple data and I can talk about the results.

I know what a test is – when two or more things are compared against each other

I can name, draw and label the basic parts of the human body and say which body part is associated with each sense.

I know these other basic parts of the human body – elbow, ankle, wrist, throat, nostril, heart

PSHE

Relationships

I know that everyone's family is different and there are different types of families

I know that families are founded on belonging, love and care

I know how to make a friend

I know the characteristics of good friends

I know that physical contact can be used as a greeting

I know about the different people in the school community and how they help

Changing Me

I know that changes happen when we grow up

I know that people grow up at different rates and that is normal

I know that learning brings about change and this can affect my feelings

Art and Design

I know how to use simple shapes to represent what I observe such as a flower, house, person.
I know how to use a range of marks to represent a range of texture or forms such as zig zags, dashes, spots or waves.
I know how to represent light and dark using a series of lines such as hatching, cross hatching or stippling.
I know how to draw with different media such as graphite stick, charcoal, crayons and coloured pencils.
I know the names of techniques that I use in my drawing such as sketching, shading, shape, line, marks.
I know different media can be used to create different thicknesses and tone of marks.
I know texture and pattern can be created using different marks and lines.

Physical Education

I know to change direction when running.
I know to land with two feet when jumping.
I know how to hop whilst moving in a direction.
I know how to skip
I know how to roll and throw with some accuracy towards a target.
I know how to catch with two hands and after a bounce.
I know how to track a ball with my eyes being sent directly to me.

Computing

I know what an algorithm is.
I know the correct order of commands in my algorithm.

Religious Education

I know the symbol associated with Buddhism
I know that followers of Buddhism follow the teachings of Buddha
I know that Buddhists worship in monasteries
I know that the Buddhist holy book is called the Tipitaka
I know that Buddhists celebrate Vesak

Summer 1 & 2
Knowledge

History

I know a monarch is a king or queen who rule until their death, or if they decide to abdicate.
I know that monarchy is when one person rules a country. Nowadays, the British monarch does not have as much power as they used to.
I know that Monarchs inherit their title (when the current King or Queen dies the eldest son or daughter gets the title).
I know a coronation is the ceremony (special celebration) of crowning a new Monarch.
I know how to put events in chronological order, which means to put things in order of time

Design and Technology

I know how to do a running stitch using a needle and thread
I know some safety rules when slicing
I can build structures
I know what construction material is appropriate for my product
I know what makes a freestanding structure stronger, stiffer and more stable
I know how to draw out my design

Music

Fantasy and Adventure
I know my preference when listening to various styles of music and understand that other people may have different opinions.
I know I use images and symbols to create a score for rhythm or pitch.

At the Seaside
I know that using bigger/smaller images or symbols represents dynamics.
I know that images and symbols on a score show me when to play and when to stop.
I know I use images and symbols to create a score for rhythm or pitch.

Geography

I know the 4 countries of the UK (England, Scotland, Wales and Northern Ireland)
I know we live in England which is part of the UK
I know we can travel by train, car, bus or sometimes plane to different parts of the UK
I know that a capital city is the main city in a country, usually where the government meets
I know a landmark is a feature that is famous or important
I know a feature is something you can see in the environment
I know how to name physical features and human features
